Business Restructuring Client Alert: Managing Business in Challenging Times

The coronavirus presents unprecedented challenges for our daily lives and for many types of businesses.

We care deeply about our clients and are here to help in any way that we can.

The business restructuring lawyers at Howard & Howard have extensive experience dealing with crisis and distress situations, plus access to the wide-ranging talents of our firm's colleagues in other legal specialties to help answer any question or deal with any challenge your business encounters in these stressful times. Our entire Howard & Howard team is also monitoring legislation and other developments that are designed to help businesses deal with the impact of the coronavirus.

Although Howard & Howard has essential personnel in each office to continue to meet your needs, most of us are now working remotely. During these rapidly changing times, you can reach us on our cell phones (listed below) any time, day or night. Alternatively, you can always reach us via e-mail (also listed below).

We are here for you and ready to help.
